

**Multivo™**

Mounting instruction  
**on metal and wire shelf**

# Multivo™ on metal shelf

## 1 Clean the shelf

---

## 2 Remove the protection film from the rail, place the rail at the front of the shelf and press firmly

# Multivo™ on metal shelf

**3**

Start by placing the L-divider on one of the sides of the shelf.

1. Tilt the divider into the front rail

2. Place the divider on the shelf

**4**

Repeat the mounting procedure with T-dividers.

# Multivo™ on metal shelf

**5** Complete the installation by using another L-divider.

**6** For planogram adjustments, lift the rear of the divider and slide sideways.

# Multivo™ on wire shelf

**1**

Press down the MU-CLIP (for 3mm wires) in the front part of the wire shelf until you hear a click. Use at least three clips per shelf, with 15-20 cm intervals

**2**

Remove the protection film from the rail, place it on the clips and press firmly

# Multivo™ on wire shelf

**3**
